MINUTE OF O'REGAN J  
(APPLICATION FOR ACCESS TO COURT DOCUMENTS)

---

[1] The Registrar has referred to me an emailed request by [suppressed by court] for a copy of "the Court transcript and all submissions lodged in respect of the issues addressed by the Full Court in the judgment *Greer v Smith* [2015] NZSC 196".

[2] The judgment referred to by [suppress] related to his attempted application for a review of my decision declining his request for a copy of the notice of application for leave to appeal filed by Mr Greer in SC 80/2015. In the judgment, the Court determined there was no right of review.

[3] The only submission received by the Court in relation to the application for review was [suppressed] application dated 2 November 2015. There was no hearing and hence no transcript. I assume [suppressed] already has a copy of his own submission. If not, he should notify the Registrar of this. In that event, the Registrar should provide him with a copy.
