

**LCRO 180/14 Van Der Werff v Wallis**

14 March 2016

Good Afternoon Mr van der Werff,

This file is at present queued for an Applicant-Only hearing via telephone conference. The office of the Legal Complaints Review Officer (LCRO) is experiencing considerable delays in progressing review applications to hearing. The Review Officer is currently focusing on those oldest matters which have yet to receive an outcome some of which were lodged in 2012/2013. For this reason I am unable to indicate a date when your matter will be heard.

I apologise for the frustrations these delays have caused.

The issue of disciplinary proceedings should be addressed with the LCRO at the hearing.

I have diarised to keep you informed when it is time to schedule this matter for hearing.

Regards,

**Nicole Gordon**
